

Shengkai Li

Address: 45 Carrington Ave, Hurstville, NSW 2220 / Mobile: +61 426 688 978 / Email: 099715@gmail.com

PROFESSIONAL PROFILE

A motivated and enthusiastic graduate with a Master in Information Technology from UNSW seeking a position to utilise my skills, particularly in the area of front end web development. Skilled in using various software programs such as Java, Angular CLI, HTML5, CSS, JavaScript, jQuery and Bootstrap. With strong multi-tasking ability along with my strong communication skills, I need an opportunity to put my theoretical knowledge and technical skills into practice.

IT SKILLS

Languages: Java, HTML5, CSS, JavaScript, jQuery and Angular II

Applications: Visual Studio Code, WebStorm, Eclipse

Application Server: Apache + Tomcat

Operating Systems: Windows, Linux

- Experience with responsive HTML templates, split testing and develop online campaigns via Microsoft Dynamics 365.
- Experience developing building WordPress website.
- Hands on coding skills in:
Front end: HTML, CSS, Javascript, JQuery, Angular CLI and Bootstraps
Back end: Java and Node.js
- Experience working with AWS.
- Ability to use GIT to manage source code.
- Desire to learn and embrace the latest technologies.
- I am a team player and work well with other developers.
- Can work autonomously when required.
